YOU DANCE AND DATE

The sock-hop after basketball games
Is the highlight of the night

But Christmas dates exceed
them all
They're full of gaiety,
laughter and delight.

But don't forget the skating parties;
The bumps, the falls, Oh yipes!

AND GO TO GAMES

1954 County Tourney Champs
are we
Our prize; the nets and a trophy!

The whistle blows, the game begins,
the crowd starts to roar.

The yell-leaders lead a cheer
For the best team on the floor.

Raiding the refrigerator is a habit of senior basketball boys.

While boys are the habits of these girls. Or should we say toys?

Glenn also has one habit, but at least he doesn't make noise.

Oh yes, we can discuss things in a very serious way,

YOU ARE SILLY AND SERIOUS

But it doesn't last long--this serious mood--
For we prefer to be silly, crazy, and gay.

ENERGETIC WHEN IT MEANS FUN

Whether we are selling or raking, our energy never expires,
'Cause we are busy teen-agers, we have no time to tire.

YOU ARE TYPICAL TEEN AGERS

As the shorthand class is writing their lessons on the board,

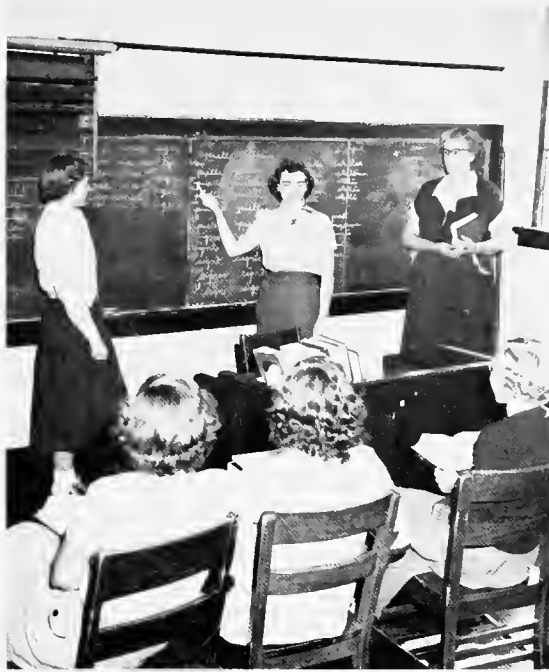

Bill Rodda is speaking
Hoping an "A" will be his reward.

The Biology Class is looking in the

are stored.

But at the end they're simple as
ABC.

YOU COMPLAIN ABOUT CLASSES

With Mr. Coleman's supervision in
this class you'll see
Will there be any explosions this
year in Chemistry.

Health class is learning of
posture
You have much to learn guys,
we all agree.

"Forward pass!" shouts a voice. This is a Physical Ed. crowd. Below is the driver's training class and car, One for which they can be very proud.

BUT STILL YOU STUDY

Whether in Home Ec. or Algebra,
Accuracy must be stressed,
For your work will tell, you know it's true,
If you really did your best.

You'll find a great enjoyment
in classes of this sort
No matter if it's singing or sawing
They're fun!! You'll report.

SENIORS SEE SIGHTS AND SCENERY

Following the overnight trip from home we landed in Washington D. C. , we stormed the Bureau of Printing and Engraving. Ramsacked the white house, ate in the famous Speaker's Dining Room (MacArthur also ate here); captured the Capital, and here we are, rulers of the U. S. The picture proves it. From where we sit in this picture, we expect to walk where Washington walked at Mt. Vernon; sail the Potomac at night, view the famous Smithsonian Museum, and other famous Washington D. C. sights.

Departing from here we expect to descend upon Broadway; to sail with Henry Hudson around Manhattan; to slum in the Bowery, to jostle with the elite on Fifth Avenue, to see the Bums beat the Phillies; to travel with Ichabod Crane up the Hudson to the home of Fara and his master, to be a cadet at West Point, and to enjoy the Rockettes of Radio City, and marvel to the wonder of South Pacific. Home we come conquerors of the U. S.

As the all important day draws near, that of the "deadline," we find the paper staff very busy. First the editors and sponsor checking the galley proof and dummy, the reporters with their finished copies ready to hand in, the humorists laughing at their jokes, and the rest of the staff rushing to meet that deadline, give all of us a feeling of excitement that only "the press" knows.

MOTHER IS

A FRESHMAN

The class of 1953 presented a play called "Mother Is A Freshman" under the direction of Miss Ruby Glass on April 17-18, 1953. The three act comedy starts off hilariously when Abigail Fortitude Abbott plans to go to college with her young daughter, Susan. They both fall in love with the teacher of zoology, Professor Michaels, but it is unscrambled at the end of the play.

OSSIAN CROWNED BASEBALL CHAMPS AGAIN!

The Ossian Bears, by winning the 1953 Wells County baseball championship, (and previous by the '51 and '52 softball championships) gained permanent possession of the Vim Trophy.

The club once more went through an undefeated season, taking all seven games from the county schools plus one more from Adams Central. Many of the Bears victories were by a decidedly decisive margin.

The pitchers' records were as follows: Scherrer 5 wins, Hunter 2 victories, and Bryan 1 triumph.

In hitting, Bob Geisel led with a .600 average, Glenn Bauermeister was runner-up with a .533 to his credit. The entire team hit at a .439 clip throughout the eight games played.

The consensus, then, is that our Bears made an impressive and satisfactory shift back to baseball. Therefore, we're hoping for great things and looking forward to another good year in 1954.

The Teddy Bears achieved a successful season by winning 10 games and losing only 1, an overtime to Lancaster, which was later avenged, meanwhile outscoring their opponents 478 points to 251 points. We surely hope that these boys may do good things for Ossian's basketball in the future.

TEDDY BEARS AND CUBS.....OUR FUTURE VARSITY

The Cubs of '53-'54 proved to be an experimental club with Coach Andes playing many different boys to test individual abilities. The importance of this is shown by the fact that this team will be expected to provide all but two of next year's varsity.

Statistics show the Cubs compiled a 6 won 12 lost record, scoring 587 points as against their opponents 609.
